

You've been summoned! Gather your coven, dress in your best pointy hat and other witchy finery, and fly yourself out to Graeme Park for a Witches' Tea Party and talk on the history and mysticism of Tarot, presented by Erin Agnew of Hedge Witch History. Sand-witches and delicacies will be served along with a selection of our finest brews.

Erin is a living historian and tarot practitioner who has presented many programs for us over the years, including living history teas on Louisa May Alcott, Harriot Stanton Blatch, and Betsy Ross.
